To whom this may
concern

Hello, I am Youssef a new upcoming model. I choose to be a model to prove to audience as myself that what you want to achieve is possible and not to listen to the naysayers in your life, But prove them wrong. And I believe through Your company we can achieve my goal to inspire others!

As I embarked on the modeling journey, My first stop was at MAPS Studios, From there I learned how to pose, stand and where to look while taking pictures. Everyone there was so welcoming and inviting. It felt as if i was where I was supposed to be. I hope to gain similar or more experience working with you!

I have attached my website link, I truly appreciate you for taking the time out of your busy schedule to view my submission, I look forward to work with you and your wonderful team to inspire and change this world for the better!

Best Regards,
Youssef N. Hasan
